A NIGHT ON BROADWAY

The first night of the production was a great success. The audience was large and the reviews were excellent. The cast was well received and the production was a hit. And Her Career

"A DAY OF ENTHUSIASM"

Not exactly rivaling Broadway in entertainment, but showing the student body a good time anyway was this year's Homecoming assembly presented by a tuxedo clad A.S.B.

The assembly started with a special introduction of the waterpolo team who, after 16 years, were League Champs.

Next alumni JV Yell and Varsity Song displayed their talent in some outstanding routines. Followed by Coach Greg Stadler who gave one of his award winning and energetic speeches.

The highlight of the afternoon was the Seniors humorous rendition of "The Homecoming Queen has got a Gun."

Finally, it was traditions turn as each class showed their spirit through class competition. The cheering wasn't quite as loud as when it was announced that sixth period was cancelled.

"A NIGHT ON THE DANCE FLOOR"

Upon entering Bolsa's gym the night of October 25, one may have got the feeling that they had just arrived in New York. The not so atmospheric gym turned into "A Night On Broadway" thanks to A.S.B. who designed and decorated an exciting rendition of this famous street. Broadway may have its hit musicals, but on homecoming night Bolsa had more than its share of hits with music provided by the talented guys of Guess Productions. These DJ's kept everyone dancing to their favorite songs including "Lover Come Back To Me" by Dead or Alive. Well if you were tired of dancing you could always find your way to the refreshment stand take pictures, or socialize with friends and alumni. A very memorable night indeed. When the music stopped, everyone wanted to stay.

Spirit in Action

Monday's class competition was Simon Say's. The competition was continued the next day, due to the tie, between the Juniors, and the Seniors. A first place winner was never cleared. The Juniors, and the Seniors tied for first place, Freshman placed second, and the Sophomores finished in third. Also students dressed up as "nerds."

Tuesday's competition was the Human Ski. It was difficult situation, trying to balance yourself on two person's back, while they are crawling, but it was completed. The class of '86, came in first place, '87, placed second, the class of '88, came in third, and last, but not least, the Freshman placed 4th. Dress up day was to dress as a hippie

Wednesday, students came all dressed up in their wild toga's to compete in the license relay. Every class did very well. Seniors came in second place, Juniors took first place, Sophomores third place, and again in last place, were the Freshman. Competitors still had a great time. What good sports!

Thursday, was pyramid day. Classes dressed up like beach bums, wearing their best bermudas, and tank tops, just to stack themselves up on each other and hold it. The class of '86 did great coming in 1st., class of '87, in 4th., class of '88, took 2nd., and the class of '89, made it in 3rd

Friday, was class colors day, and also to do a lip sync. Colors were: Seniors — red, Juniors — blue, Sophomores — white, and the Freshman — red, white and blue. The Seniors did a remarkable job in their lip sync, "Everybody Run, The Homecoming Queen Has A Gun." So, they came in 1st, Juniors 2nd., Sophomores 3rd., and Freshmen in last

Real Country Hoedown

On the evening of Friday, November 1st, Bolsa's very own girls' gym transformed into a country jamboree for the annual rip-roarin' hoedown, otherwise known as the Sadie Hawkins Dance!

First on the agenda was to get yourself hitched to that special someone! If your partner wasn't so willing to tie the knot, you could request a shotgun wedding. Your unsuspecting victim would be lassoed and dragged over to the ol' hitchen post. Wedded bliss only lasted until 10 p.m. when the license expired

What comes after the wedding? Why the honeymoon of course. Spanish club sponsored a fun-filled five minutes in sunny Acapulco, complete with a wedding cupcake for two, champagne, (7-up in this case), and photos to start that family album

- Mike is having a Great Ol' Time
- Jean is always in trouble
- Noelle and Angie giving kisses away
- Sandy, Shannon, and Tammy enjoying the dance
- Catrina and friends are dancing the night away
- A little discusted, maybe?
- Danny and Roseann finally got hitched!!!!

The Christmas Parade

It was six days before Christmas, and faculty members at Bolsa showed the holiday spirit. After weeks of practice, the teachers were prepared and ready to perform their version of The Christmas Lane Parade. Barbra Walters and Merlin Olson were the grand marshalls, but played by Mrs. Pilkerton, and Mr. Henkle. Most of the teachers dressed up as popular people. Mr. Wise as Boy George, Mr. Barriga as Mr. T., Mr. Lipold as Rambo, and many others. The crazy characters paraded around and threw things like roadapples and candy at the audience. No matter what was thrown, the students still enjoyed their performance.

Bolsa's Fall Production

The first drama production was presented November 21-22. The drama department put together two, few act plays. Each had its own cast and crew

"Ditch Day" was a day in the life of the Murray family. Binky wanted to ditch school and go fishing but of course, his parents object. This play was directed by Tina Esquivel and her assistant, Tom D'Amore

"Mystery Liner" was an "oceanliner murder mystery," directed by Mrs. Benner and Laura Tully. Linda Collins, a famous mystery writer is aboard the ship and she and her husband attempted to solve the mystery

"Through The Hoop"

On February 14, the Homecoming Basketball game was the main attraction. The big game against Garden Grove High School, where a CIF playoff spot was at stake.

At halftime, the Matadors had jumped in front by a comfortable 14 point lead. At the half, the queen candidates were introduced. Curiosity peaked, and Carol Thornton was crowned 1986 Homecoming Queen by last year's queen, Jennifer Walker.

The Matadors went on to win the game 83-58 and clinched second place in league and a CIF berth.

"You Take Me Up"

February 14 was not only Valentine's Day but the events of the Homecoming Basketball game, and the announcements of the Basketball Homecoming King and Queen at the dance.

Homecoming Court hopefuls were nominated by the various clubs on campus then voted on by the student body.

The dance was held in the girls gym and lasted 'til 11 o'clock. During the celebration, Homecoming Royalties were announced. Congratulations to Tom Afdahl and Carol Thornton, our homecoming king and queen.

After the announcement Tom and Carol danced to the theme of "You Take Me Up."

The annual winter formal, the Co-Ed, took place on the evening of February 8. "A Night Under the Stars" turned out to be a very sparkling, memorable evening for many who attended.

The two upper rooms of the luxurious Costa Mesa Country Club, were transformed by the floral arrangements, along with festive balloons and streamers of the night's colors, wine, silver, and white.

The highlight of the evening came at 11:00, when the candidates were introduced. After the introduction, the big moment arrived, the announcement of the Co-Ed King and Prince. John Moyer was named Prince, and Andy Trechsler was crowned King.

"Strike up the Band"

This year started off very well for Bolsa's band and Tall Flag team. They have had a very busy schedule performing half-time shows, parades, competitions, and festivals. These activities have been very hard work, which has proved to be well worth the effort.

The band and tall flags are very proud of themselves and in representing the school. They have done very well already in parade season. In their first competition parade, the band and drum major, Joe Bogue received first place trophies for their performance.

The Tall Flag team overcame all other flag and drill teams, and walked away with a trophy of sweepstakes. This year has begun well, and with all the effort, hard work, and encouragement they will continue to do even better.

Girls on Film

A special group of young ladies formed Girl's League. Mrs. Osborne was their caring advisor who led the girls in their numerous activities, which included candy cane sales, Sadie Hawkins, Girl of the month, and the most important - The Co-Ed.

Kidnapping experiences and assembly nerves are among some of the memories that will linger in their minds forever. The girls grew together, while they accomplished their many tasks.

Being a part of the club, provided the members with special memories of special times. A once-in-a-lifetime experience.

The following is a list of the names of the people who were present at the meeting on the 1st of May, 1968. The names are listed in alphabetical order.

The Latest Bull

It's not easy to hunt coaches in search of questions, endure numerous interviews, try to cover all schoolworthy events, and please everyone, but the "Latest Bull" Staff managed to meet deadlines and produce a quality paper

Editor, Chandra Massner worked long hours, writing, typing, and at the printer, but she couldn't have done it without her staff

Feature editor, Julie Green did her best to help out with many publication tasks. News editor, Hermin Honavar also did her part

Staff writers Roman Bakx, Ginny Hills, Scott Landry, and Donna Polcani did an excellent job, for their first year on newspaper

Artist, Chuch E. Baer, provided comic relief via strips and editorials. Good job!

The 1985-86 yearbook staff went through some tough times, but always managed to get their jobs completed

Taking pictures, writing stories, and designing the inside of the yearbooks, seems like fun and games. Sometimes it is, but it takes more hard work and dedication than people think

A lot of the effort comes from the editors: Dean Montfort, Kim Cartmell, Lora Avery, Tekla Ackelson, and Mitzi Huft

Thanks to Roberts Portraits, Herff Jones Yearbook Co., and our Advisor, Richard Holly

The best of luck to the 1986-87 yearbook editor, Janine Kelly

This years Varsity Football team's aggressive ness and hard work paid off for a winning team year. With a record of 6-4 we finished in second place which led us to C.I.F. Although they were young they showed the aggressiveness of a more experienced team. They exhibited the liking for hard work and the desire to win. Coach Shadid commented that their team unity and pride has helped them overcome their opponents, plus helped them achieve their goal which was to reach the playoffs. This years winning season has gave us many great memories and hopes for next years season.

This year's J.V. Football team didn't have a great season with a 2-8 record, but they did gain much experience for next year. Coach Dave Doser and Coach John Swoboda, commented on the team's hard work at practice. With the hard work and experience gained throughout the season, Varsity should receive some great players for next year.

This year proved to be exceptionally tough for the Fresno State football team. At the end of the season, the team took home a place in league with their 4-2 overall record.

This year's Varsity Water polo season was one of the best in Bolsa's history. The season consisted of three major achievements. First was winning the Garden Grove league championship. Second Bolsa was the only Garden Grove team to make it past the first round of CIF finals. The third and final achievement was getting four players on the first or second team All League. The final record was a superb 18 wins and only 6 losses. The frosh-soph had three returning players. Although they had it tough this year with a record of 3 wins and 11 losses, next year should prove to be much better.

Bolsa's Cross Country had somewhat of a rebuilding year this year. The team was coached by Kellogg Price who kept spirits high with encouragement and kept the runners in shape with lots of practice.

Last year the team lost three graduating seniors which accounted for fewer team members this season. Although they didn't do as well as last year, there is still hope for next year's team, after all Bolsa's #1

It was a great year for our Varsity Girls Volleyball team. Their overall record was 9-6, and their league record was 6-4. Coach Clotfelter was very pleased with the girls' attitude, and performance. He feels they have put a lot of pride, hard work, and love into volleyball, and they earned their winning record.

The V Volleyball Team

The V Volleyball team had a very good year for the year. With a new coach, we were able to manage to win some games and lose some. Although we lost some games last year, the coach had some interesting ideas. The coaches were the best at what they were doing. For 2000.

The JV II volleyball team enthusiastic during this year's season. Although they represented our school well, their playing needed much improvement. Coach Clements did an excellent job of keeping the girls spirits up. Even though they lost many games their attitude and sportsmanship was good

The girls Varsity tennis team had a pretty tough season this year. Some of the better team players were lost prior to league starting which hurt the overall team performance. There were also many young players on the Varsity team. Although these two setbacks accounted for a poor season, the girls should be back next year ready to win!

Tennis

The J.V. Tennis team ended their tough season in frustration. They finished fifth, due to loss of some of their best players, this season. The team also had many young players. With lots of practice and hard work, next year should prove to be quite rewarding

The Varsity Basketball team successfully raced through league play earning themselves a spot in the CIF playoffs. The team finished with records of 7-3 in league, and 14-8 overall.

The team is characterized by a balanced fastbreak, scoring attack, generating from the five starters: Tom Afdahl, Hung Nguyen, Thurman Brown, Nam Cao, and Joe Small.

Undersized as they may be, their scrappiness enables them to pull down many rebounds. Their ability to steal, rebound, and hit the release man, allows them to execute the fastbreak.

Without the support of Coach Lipold, the team couldn't have done better.

THE CHAMPIONS

The Sophomore Basketball team plays a fastbreaking, and pressuring offense and defense. To overcome their inexperience, they ran game situations during practice, and hustle during the games. They seem to have had a negative attitude, but with all the hard work they put in they proved themselves wrong. Coach Martin said they could play a lot better, but they have the most depth and potential of any of his teams.

The Freshmen Basketball team has not had a winning season, but it has had a productive one. Coach Cardoza said the team was disappointed that more weren't won, but were satisfied with their performance. At least they never gave up!"

The B.G. Soccer team has had an up and down season this year. Coach Clotfelter feels that the talent is there, but the ability to play as a team isn't. The high point of the season came when they beat the fourth ranked team in the league. Overall the team had a great season. Congratulations!

This year's impressive collection of wrestlers have proven themselves to be more than worthy opponents. The team owes its performance to individual hard work and desire as well as the teams overall positive attitude.

Coach Price was very pleased with his team, but he said they could do better.

The Varsity Girls Basketball Team has fun up and down the court, whether they achieve a winning score or not.

Leading the girls once again is Coach Ron Inman. With his help, the girls were able to have a record of 12-9 overall, and 7-3 in league. Their intensity gave a chance for success.

This year's girls soccer team was alive and kicking! Coach Dave Abella helped the girls keep up their spirit and hard work. The varsity team was made up of 12 players. Girls like Wendy Mellet and Lisa Marrvatt showed excellence on offense. This was the 1st year for J.V. girls soccer. J.V. girls are a great addition to B.G. soccer.

This year's varsity baseball was definitely one of the best. They had good team unity combined with coaching and motivation. Though the team is not one to blow every pitch out of the park, they score their runs using hit-and-run and bunt-and-run tactics. They achieve this due to excellent speed throughout the line up.

The team would not have all the points stacked on their side without the dedication of Coach "Dickard" Nelson, who *never quits!*

Defense is the team's strength. They are very strong up the middle. Good defense always beats a good offense which they've proved. — Kim Cartmell

The J V. baseball team is being coached by Mr. Holst, whose goals for the team were, "To prepare them mentally for the varsity" and succeed very well at it. They're a young team having only one junior, but were eager to learn. They had lots of fun and never gave up

This years Frosh-Soph baseball team struggled through the first part of the season, but with each game they improved. Being a young team Coach Shadid hoped to "develop the players so by the end of the season they'd be ready to play at the Varsity or J.V. level next year."

The B.G. tennis team's hopes were on making CIF. They were led by singles player Hung Chi Nguyen and the doubles team of Thurman Brown and Thuc Do. Considering that five Varsity players didn't return this season because of other interest. The B.G. team did very well. The J.V. tennis team was led by singles player Phong Nguyen.

The V. team was coached by Mr. Olson. He was pleased with the team's effort and performance, but was disappointed with the lack of players on both teams. "You only work as hard as those that are behind you make you work," says Mr. Olson. The J.V. team was coached by Dave Abella.

While gaining lots of experience from playing, the 1985-86 Varsity Badminton team had a great season. Tammy Davis, coaching yet again, feels that the Varsity team gave it their all and did a great job. The J.V. team also had a great season. With a new coach, the team had a lot of enthusiasm to go out and win!
